Congratulations Audra!

Audra Kennedy has been in the Youth Coalition Tobacco Prevention and Control Coalition for almost 2 years and during her time she has worked numerous Health Fairs, and participated in community events such as; Relay for life, Tobacco Knock Out, Red Ribbon week and Tobacco Kids Free Day. She is a Sophomore at Iowa Park High School where she participates in Color Guard and she

plays the drums for the youth-led worship at First Baptist Church. Audra recently applied for the SAY WHAT! Teen Ambassador program out of San Marcus Texas, and we are excited to announce that she is now the first representative from North Texas to be selected! This will be a great opportunity to hone her skills as she continues to be a role-model for the Youth Tobacco Prevention and Control Coalition here in Wichita County.
